PEET-MATI SÖÖT IN TALLINN

Ph.D. Peet-Mati Sööt, the long-time consultant of the journal Oil Shale visited our editorial office in March 2007. P.-M. Sööt, the President of Northwest Fuel Development, Inc. Oregon, the USA, lectured chemistry students of Tallinn University of Technology and the members of the editorial board on the topic “Coal mine methane production and utilization, and thoughts regarding the economics of oil production from oil shale”

In the photograph, from left, Vahur Oja (member of the editorial board), Aili Kogerman (executive editor), P.-M. Sööt, Anto Raukas (editor-in-chief), Helvi Uibopuu (editor).
